

Head of Global Projects

Job Location: Remote

---

### **Objectives of this role**

The Head of Global Projects is responsible for overseeing all of Integrity Global Partners' ongoing global projects. Reporting to the Chief Executive Officer and Chief Commercial Officer, the Head of Global Projects is a senior level position with responsibility for overseeing project origination and ensuring all new financed projects are adequately managed according to agreed-upon timelines, deliverables, and budgets. The Head of Global Projects ensures compliance with local, state, and federal regulations and works in close collaboration with Regional Project Leads to ensure project success.

### **Duties and responsibilities**

- Lead development of IGP project control policies and procedures
- Utilize market leading tools and systems for effective project management and budgeting
- Recruit and hire local staff into Special Purpose Vehicles (SPVs) who will serve this function within projects
- Train local SPV staff in IGP policies, procedures, and tools including budgeting and ongoing financial and operational risk reporting – requires 2-3 months living in project region at start of project to ensure success and effective stakeholder development
- Oversee project progress and resolve issues as they arise
- Stay up-to-date with new developments in technology, regional regulations, and IGP policies and procedures.

### **Required Skills and qualifications**

- Bachelor's or Master's degree in Finance, Economics, Accounting, or a related field
- Several years of experience in environmental project development
- Strong knowledge of local, state and federal regulations related to carbon and environmental project development
- Excellent project development skills
- Excellent communication and problem-solving skills
- Ability to work collaboratively and respectfully with global stakeholders at all levels of society from small scale landholders to governments
- Ability to live and work in remote global areas for periods of time up to 3 months

### **Preferred skills and qualifications**

- Fluency in relevant regional languages (Spanish and/or French)

### **Salaries and Benefits**

- 25 PTO including federal holidays
- Comprehensive benefits package (medical/dental/vision/401k)
- Remote work environment
- Competitive Salary

---

### **About Integrity Global Partners, Inc.**

The mission of Integrity Global Partners is to unlock fair and equitable capital at scale to deliver high-integrity environmental assets to market. We do this by:

- Bringing together the necessary expertise to accelerate the deployment of mission-driven investment capital into high-quality nature-based projects and jurisdictional programs in the Global South and Europe, and;
- Enabling project developers and governments to access the financing they need through global carbon and environmental markets.
